

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF PLEASANT HILL	)	
WATER DISTRICT FOR APPROVAL OF AN	)	CASE NO. 93-075
INCREASE TO ITS CONNECTION FEES	)	

O R D E R

On March 4, 1993, Pleasant Hill Water District ("Pleasant Hill") applied for an increase in its Service Connection Fee for 3/4 inch meters from \$300 to \$400. It also requested approval to establish a Service Connection Fee for its 1 inch meters of \$500, 1 1/2 inch meters of \$1500, 2 inch meters of \$1700 and actual cost for all meters larger than 2 inches.

Pleasant Hill's proposed Service Connection Fees yield more revenue than is required to pay the expenses incurred in rendering the service. The charges, therefore, should be denied.

Pleasant Hill has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges. Based on these expenses, the Commission finds that the charges set forth in the Appendix to this Order are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. Pleasant Hill's proposed Service Connection Charges be and they hereby are denied.

2. The charges in the Appendix to this Order, which is attached hereto and incorporated herein, be and they hereby are approved for services rendered on and after the date of this Order.

3. Within 30 days of the date of this Order, Pleasant Hill shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 7th day of April, 1993.
